Repair

The independent quarterly on design and the people behind it. Issue 9.

The editors

This issue is about the people who keep things in use: the benches where chairs come back, the mechanics who learned by hand, the tools worn to the shape of the hands that hold them.

Inside issue 9

Section	Title	Standfirst
Report	The workshops keeping chairs in use	A long visit to the benches
Essay	What a mend says about the thing	On keeping, and what it costs
Interview	A bicycle mechanic on learning by hand	Apprenticeship, without the word

From the editors

Sample titles, to show the shape. The full contents run with the issue.

Have nothing in your houses that you do not know to be useful, or believe to be beautiful.
