410 things to borrow on Barton Road

Tools and equipment, lent to the street. Annual report to members.

The volunteers

The library opens on Saturday mornings from ten until noon. Members borrow up to three things for a week at a time; anything that comes back broken is mended by the Tuesday volunteers.

A year costs fifteen pounds and can be waived; an hour at the desk counts the same. Leave your name and your card waits at the desk on Saturday.

No panacea.
